Heifer Project

Although most Heifer partners keep bees as a supplement to family income, beekeeping can be a family's livelihood. The children's gift can help Heifer provide a family with a package of bees (\$30), the box and hive, plus training in beekeeping – and this unique gift will be passed on to another family in need.

A message from the Social Concerns committee:

People get hungry in the summer, too! We learned from the downtown people-helping agencies that their clientele has increased by 30 to 45 percent during the economic turndown... and that many families with young children are now needing help with food supplies. City Gate, through whom we distribute the food collected in the boxes at our church doors, especially requests donations of powdered milk and other foodstuffs for babies and toddlers. Please continue your generous contributions!
