Heifer Project

In many cultures, the egg is a symbol of life. But when you give a Flock of Hope from Heifer International, it becomes much more than a symbol—it's a profound gift of life that provides nourishment, income and hope—growing and giving “by the dozen” as nutritious eggs are gathered each day. The children have now purchased 4 Flocks of Hope! Thank you.

SERRA'S COLLEGE CONNECTION FOR CATHOLICS

To help High School graduates locate the “Catholic presence” when they arrive on campus, send the names of graduating seniors to your local Serra Club contact. They will provide them with information about the Catholic presence at their college of choice. The Clubs in turn give those students' names to the Catholic campus ministries so they can personally invite their participation at Catholic events and liturgies. Should there be no official “Catholic presence” on campus, the student will receive information about a nearby Parish. For more info call Don Kelly (dkkelly1@comcast.net) 624-1500

Where is God in the Midst of War?

Are our spiritual foundations shaken or shored up by the experience of military service and combat duty?

Please join us Thursday, June 3rd at 7:00 pm as we explore the challenges faced by military members in our community as they transition home. We will examine ways a faith community might provide welcome, support, and share the spiritual journey with those who have deployed to combat and come back home again.

The session will be led by Marian Beaumier, a graduate of Gonzaga University with an MA in Religious Studies, and a Master of Social Work (MSW) from EWU. Please call the St. Joseph Parish Office at 466-4991 or come in to sign up. There is no fee for this seminar.

Summer Schedule for Liturgical Ministers

The schedule for June-August may be picked up in the sacristy the weekend of May 29-30. It is challenging to adequately cover all the Masses during the summer months. Thank you to those who can pick up the slack by doing “extra” duty.
